With Shumann, the two-hundred-and-twenty-pounder in the box, Portsmouth beat Richmond yesterday afternoon by the score of five to nothing. The big twirler for the Truickers was master of the situation at all times, and the Lawmakers, with Still in the box, could not solve the problem. The Kentucky club pitched a pitched ball game, and the two of the five runs made by the victors were earned. Cuddy let in two of them, and Hicks and Revo assisted the others to cross the rubber. It might be said that umpire Rollins gave Portsmouth an ally, for he called a foul ball at the plate in the first inning when it was apparent to all that the runner was out.

One Earned Run.

King Kelly, the first baseman of the Truickers, landed for two singles and scored two of the runs. He was in fine form in act all of the visiting players were in better fettle than were the home boys. While the Colonel pitched a good game he was not quite up to his standard and allowed the two early innings to go against the Lawmakers, and his rapping two-bagger in the seventh inning sent another runner across the plate. The second was by Anthony came near being a home run, for it went to the left-field bleachers.

Jack Anthony, the Richmonder, who was released because he could not hit often enough, batted in three of the runs. His single in the first inning started him going against the Lawmakers, and his rapping two-bagger in the seventh inning sent another runner across the plate. The second was by Anthony came near being a home run, for it went to the left-field bleachers.

Cuddy Was Responsible for the First Two Runs.

The first ball Kelly sent to the right, who let for the Truickers, went directly into the second baseman's hands. He gathered it up in time and threw it far over Shaffer's head. Titman took second on the error. Kelly sacrificed, forcing Titman to third, but he called a foul ball, and Titman died at the home plate.

This made two out, with only one man on base, Kelly holding to the first. Fishman then sent another ball to Cuddy, and Cuddy let it get by him. Kelly went to third and Fishman to second. Twice had there been a chance to retire the side, and Cuddy had forgotten to take advantage of each opportunity. No pitcher could win ball with this kind of support. Anthony lined out a single that scored the two runs, the decision on Fishman being very close.

Shumann Was Invincible.

The second run for the Truickers came in the sixth inning, and was earned. The next two came in the seventh, and a chance was given to retire the side. Revo had the opportunity, but his throw to Shaffer was bad.

However, Shumann was the man responsible entirely for the loss of the game by Richmond. He never gave the Lawmakers a chance to hit the ball very much. In the fourth inning Shumann pitched with two for two, but he netted no runs. It was one, two, three with the home boys until the ninth inning, when it did look as though the game might be won. However, the boys started off with one hit, but Cuddy and Fishman made a pretty throw, but they were too swift. Revo singled, and Shumann sent one down to Kain, who pitched it to Fishman for a double. Fishman let it get through him, and it pitched to Hamilton at third, who threw Boyd out at the plate. Shumann attempted to steal second, and was caught out by Hamilton. No one else thought the player was out.

Loran went out from Shumann to Kelly, and the first of the series of four games was over with Richmond, not having a run to her credit.

This afternoon Revo will work for the Lawmakers. Revo and Long probably still will go into the box for the double header on Saturday. Shumann will pitch one of the games Saturday.

DANVILLE GOES DOWN.

Roanoke Takes a Rally After Opponents Had Cinched Game.

(Special to The Times-Dispatch.) DANVILLE, VA., August 9.—The Tobaccoists went down today before the Highlanders by a score of 3 to 6. The contest was characterized by ten errors, Danville getting the larger end. The one shining star of the game was Doyle, second-baseman. He accepted ten chances without an error. He worked very little without an error. The Tobaccoists led off with three runs in the first inning, and it looked as if they had the contest clinched. Smith, the "subway" artist for Roanoke, was wild. He gave three men transportation to first, on the high mounds, Watson, left-hander, on the high mounds, sent the ball squarely over the fence, with one man on base. At this juncture Rege, the local pitcher, was taken out of the box, and Evans substituted. He showed up some better, but was given very poor support. The Highlanders scored four runs in the sixth inning, and this put a damper over the hopes of the local fans. Two runs were made by the victors, and a scratch hit filled the bases. This was followed up by a single to center-field by Latham, and Richards batted the ball and flew wild. All runners scored, as a result of this remarkable play. Following is the tabulated score:

NORFOLK AN EASY MARK.

League Leaders Had No Trouble in Winning Game Yesterday.

(Special to Southern Bell Telephone.) NORFOLK, VA., August 9.—Opportunity hitting gave today's game to the league leaders, and Norfolk won an easy one for Lynchburg. The home team played in but little better form than they did yesterday against Richmond, which is to say that they played in form that would not win a game in the league at this time. The game was Lynchburg's from the beginning. Carter pitched masterfully, letting the locals down with but two lone hits; but Carter was not alone responsible for the home team's defeat. He pitched several pitched balls that ordinarily would have been hits were converted into outs by fast playing. Leonard pitched a good game for Norfolk. With the fielding help from that supported Carter, there would have been less than nine hits for Lynchburg. The error-making proclivities of the locals was again pronounced this afternoon. Besides the six errors of a very rank variety charged up against them they made dummy plays, a great many of which did not figure in the error column. However, Norfolk, the other team, has had days off, two of them having come in succession. The boys can play ball, and the rosters expect to see it before the end of the week. Promotion for Mr. Adams.

Mr. Joe Adams, for several years treasurer of the Wells-McKee Bloum Theatre in this city, has been promoted by the company, and will be on duty on Sunday for that city. Mr. Adams declines very much the idea of leaving Richmond, though he rejoices at the promotion. Mr. McKee speaks highly of him, and says that he is glad that he is able to promote him to a better position.

GATES AND PARTNERS LOST FORTUNE ON WESTERN HORSE

Victory of Sir Lynnwood Over Neva Lee Spoiled "Coup" of Plungers, Who Expected to Make Killing of Year.

(Special to The Times-Dispatch.) NEW YORK, August 9.—When Sir Lynnwood won the opening race here this afternoon he spoiled one of the biggest contemplated "coups" of the year. Charles W. Gates, John A. Drake and several other Western plungers expected Neva Lee such a certainty to win that they bet a fortune on her, both in the local ring and in the pool-rooms throughout the country. Fully \$50,000 was lost by these men on the beaten horse.

CHEW Grape TOBACCO

"THIS IS A HORSE"

ONCE there was a small boy who wrote "This is a Horse" after trying for hours to draw a copy of his plate of a thoroughbred racer. He admired the horse, wanted it, but had neither the ability nor the experience to get him. He therefore tried to draw one. When his labor was complete, he looked first at the genuine article, then at the miserable imitation, and after long, deep study wrote THIS IS A HORSE, realizing his failure and endeavoring to reproduce the genuine, and he knew without a moment's hesitation that no one would recognize what he had tried to make. Would-be competitors have tried for years to imitate Grape Tobacco. They make black plugs of similar size, but of less weight, and put in all sorts of various concoctions, in an effort to copy the taste of Grape Tobacco, and finally hit upon the small boy's plan, and printed on the tag "SOMEBODY'S SUN CURED." They advertise and tell you that "SOMEBODY'S SUN CURED" tag is valuable. Of course it is. Somebody's Sun Cured tag is worth about 15 cents per thousand, but Grape Tobacco the tag is on 1. Somebody's Sun Cured tag is worth more than 100 times as much as does THIS IS A HORSE makes a valuable genuine horse.
